- American Welding Society is Accepting Applications for Post Secondary Education Scholarships. This is for Programs in Industrial Training for Trade Schools, Two year programs, and Four year programs. If interested contact Mr. Mayer.
- 1st Semester will end on December 20th, just 2 short weeks away. Please have all of your work turned in ahead of time in order to accurately figure your final grades.
- If you have over the 8 unexcused absences in any period, you must have your time made up (45 minutes for each occurrence over 8 in each period) before the end of the Semester or you will not receive credit in those periods that you are over in. We only have 8 more make up days left to get this time made up. Remember, make up time is only Mon-Thurs after school 3:30-4:30.
- Semester test will be NEXT Thursday and Friday. Start preparing for the end of the semester now.
- There will be an informational meeting regarding the upcoming Shooting Sports season on Thursday, December 12th at 7 PM in the high school library.
- Yearbooks are on sale for \$40! This is the LOWEST PRICE of the year. If you purchase your yearbook by December 31 it will only cost \$40. After December 31 yearbooks are still available but the price will raise to \$45. To guarantee a copy, you must order a yearbook. Our budget does not allow us to order a large number of 'extra' yearbooks to have on hand to sell. Yearbooks can be ordered through the link on the school website or by contacting Ms. Eyheralde.
