- American Welding Society is Accepting Applications for Post Secondary Education Scholarships. This is for Programs in Industrial Training for Trade Schools, Two year programs, and Four year programs. If interested contact Mr. Mayer.
- 1st Semester will end TODAY. Please have all of your work turned in ahead of time in order to accurately figure your final grades.
- If you have over the 8 unexcused absences in any period, you must have your time made up (45 minutes for each occurrence over 8 in each period) before the end of the Semester or you will not receive credit in those periods that you are over in.
- The End of the Semester is upon us. Can you believe this school year is almost half over? Where did the time go!?
- Yearbooks are on sale for \$40! This is the LOWEST PRICE of the year. If you purchase your yearbook by December 31 it will only cost \$40. After December 31 yearbooks are still available but the price will raise to \$45. To guarantee a copy, you must order a yearbook. Our budget does not allow us to order a large number of 'extra' yearbooks to have on hand to sell. Yearbooks can be ordered through the link on the school website or by contacting Ms. Eyheralde.
- Today, December 20th, the student council is holding an ugly sweater contest. Anyone and everyone should wear their ugly sweaters that day, but if you want to be in the contest, the price to be in the contest is one nonperishable food item. The student council will judge contestants in the afternoon on Friday.
- Auditions for this year's musical, **Help! I'm Trapped In A Musical!**, will be held when we return from Christmas break. See Mr. Richardson before you leave on Friday for an audition packet and details. You will need to prepare a musical number for your audition. Showtunes from any musical are recommended.
